ABOUT THE ASSOCIATION

Founded in 1982 as the Corporation des entrepreneurs en maçonnerie du Québec (CEMQ) and in 1999 as the Regroupement des entrepreneurs en maçonnerie du Québec (REMQ), it was only in March 2002 after a merger that the Association des entrepreneurs en maçonnerie du Québec was formed. The AEMQ is a non-profit organization (NPO), duly constituted under Part III of the Québec Companies Act, to which membership is voluntary.

The AEMQ also represents Québec masons in the rest of Canada, notably within the Canadian Concrete Masonry Producers Association (CCMPA), the Canadian Masonry Design Centre (CMDCC) and the Canadian Masonry Contractors Association (CMCA).

THE AEMQ GOLF CLASSIC

The Association des entrepreneurs en maçonnerie du Québec (AEMQ) is proud to announce the return of its golf tournament. This is a networking event for our corporate and supplier members. During this tournament, members can exchange information while solidifying and expanding their network in the masonry industry.
